TO WHOM IT MAY CONCERN

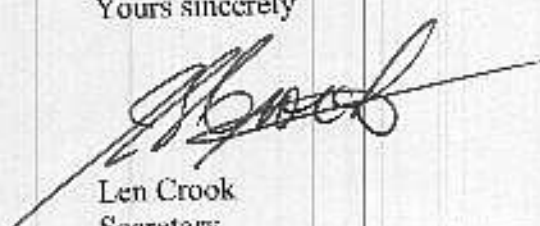

The Mt Gravatt A H & I Society has had numerous meetings and dealings with Osborne Amusements and Osborne Fairground Attractions and they have provided sideshows and amusements for our Annual Show.

We have found them open, honest and reliable in their business methods and dealings and we have been more than satisfied with their service and performance.

The proprietor, Mr Les Osborne of open honesty and integrity and above all a man of his word.

We have no hesitation in recommending his services to any of those who may wish to engage him.

Yours sincerely
